Teachers may copy this book for classroom use.

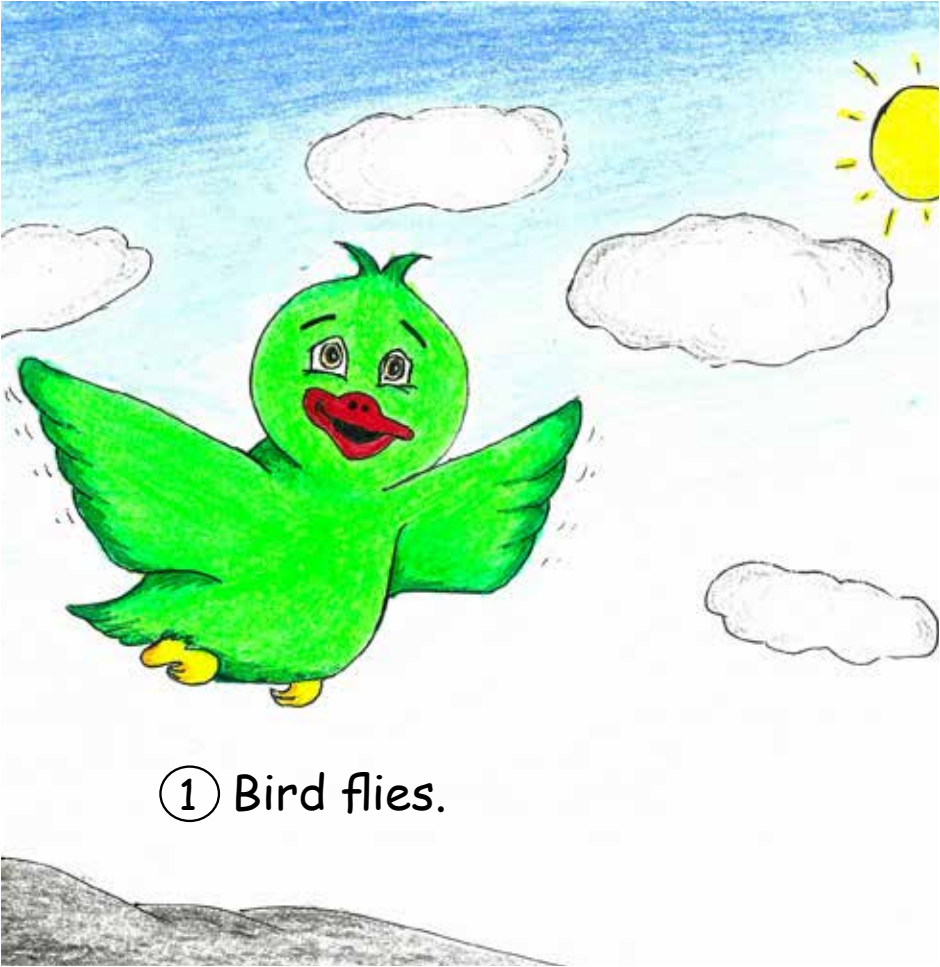

Action!

First time, read the Circle 1 Sentences. Next time, read the Circle 2 Sentences.

With this book, may we:
Learn each others' words.
See how we are all the same.
Understand where we are different.

① Bird flies.

② A green bird flies
in the clear blue sky.

① Bird sees home.

② Bird sees
the home country.

① Storm blows bird.

② Suddenly, a big storm
blows the bird far, far
away.

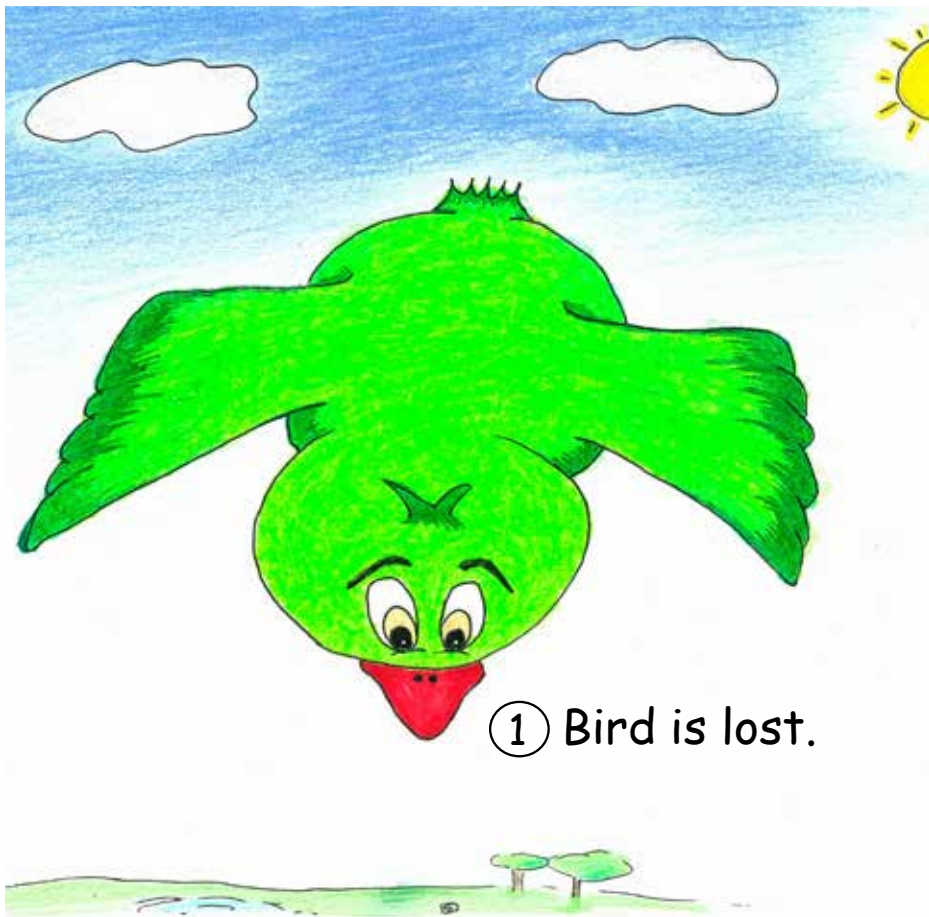

huge. large

① Bird sees new country.

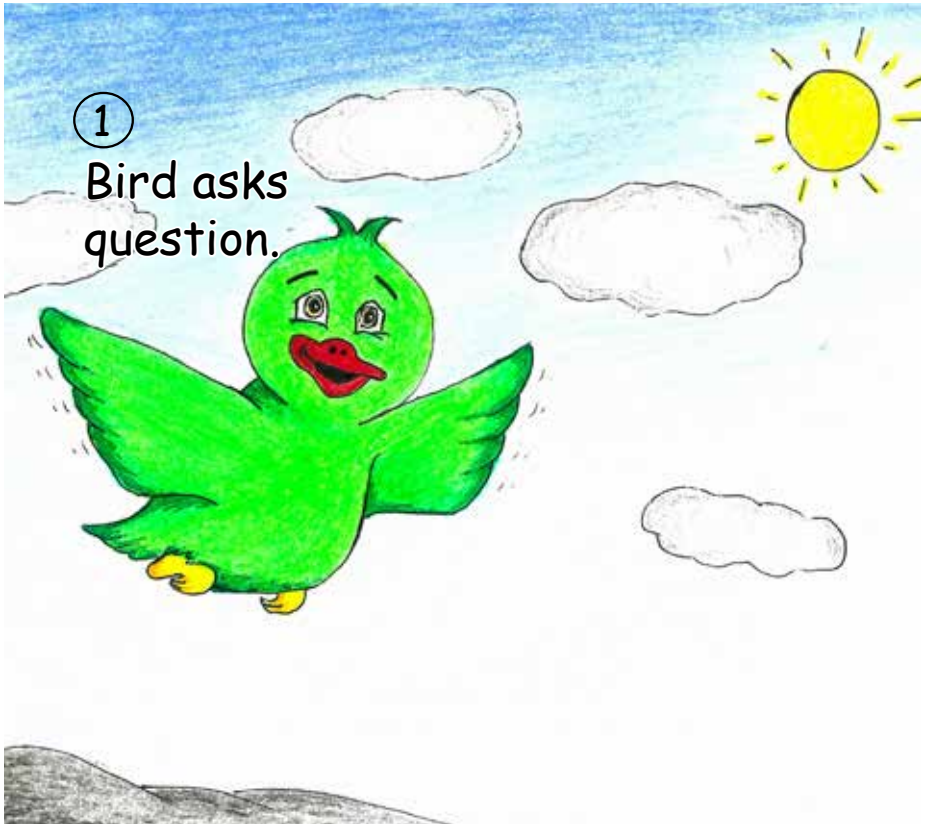

② The bird is not hurt.
Bird sees a different country.

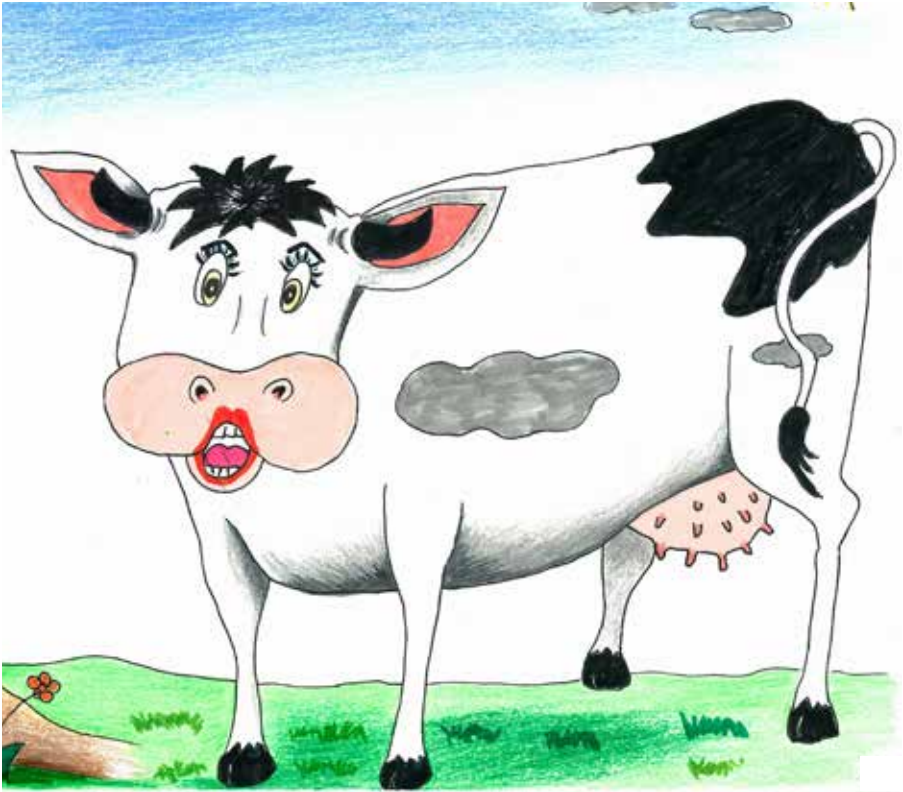

① Bird is lost.

② Everything looks different.
Bird flies down to ask
directions.

②
Bird asks a cow,
"Moo, moo, moo"?
That means, which
way is my home?

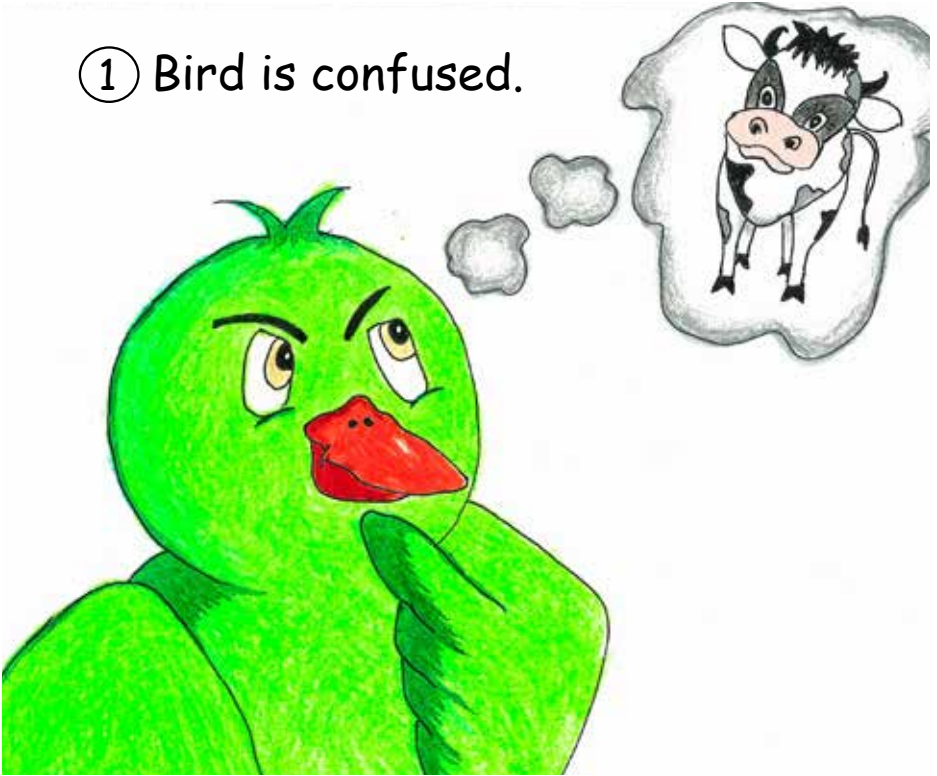

① Cow said, "Maw".

② "Maw, maw, maw,"
said the new country
cow.

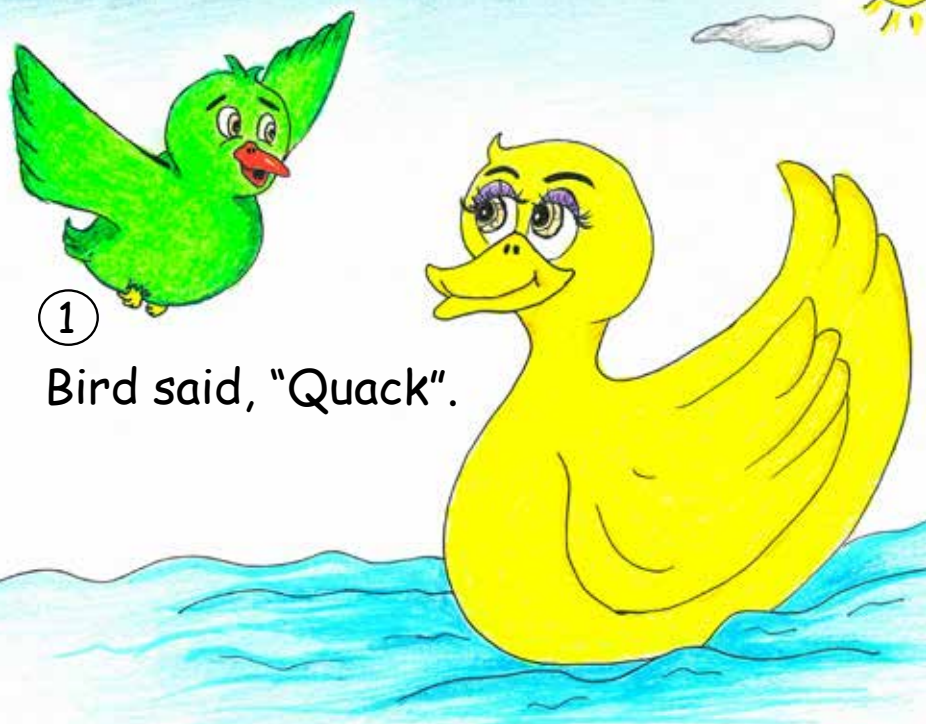

'Maw', rhymes with saw.

① Bird is confused.

②

The bird said, "I can't understand you. Cows here don't speak the same words as cows where I come from."

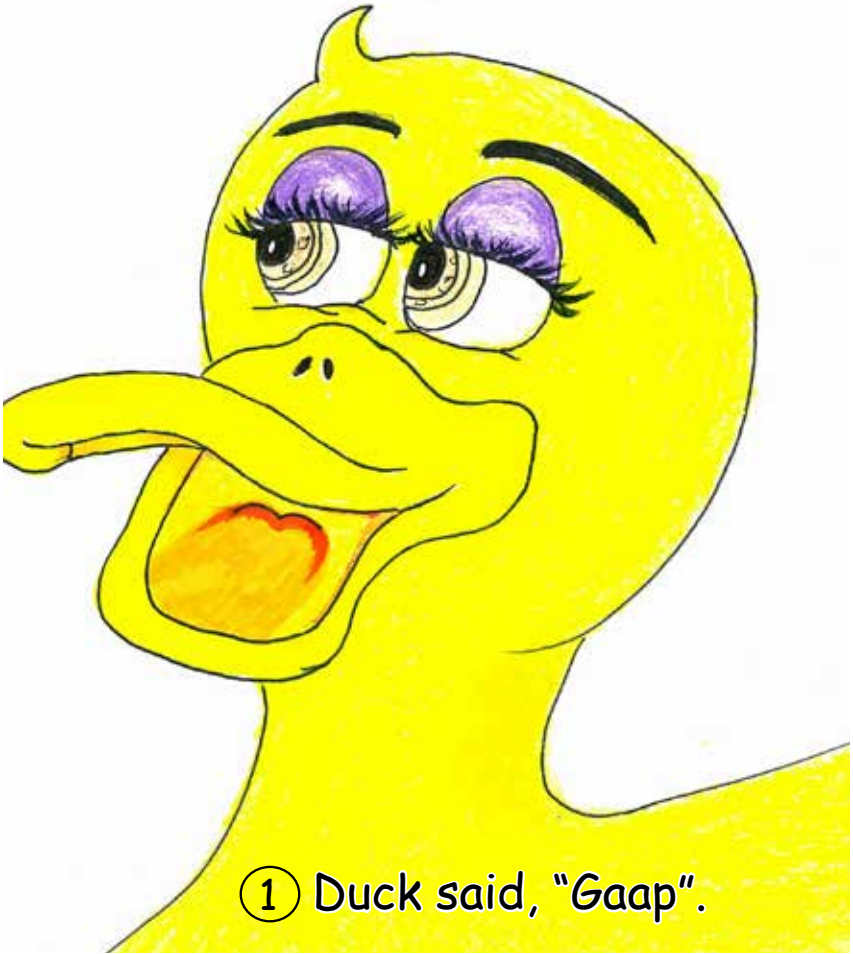

①

Bird said, "Quack".

②

Next, the bird sees a yellow duck. "Quack, quack quack," said the bird to the newly met duck.

notices

②
"Gaap, gaap, gaap,"
said the happy but
confused duck.

glad

① Bird can't understand.

②

The bird said, "I can't understand you. This is not how ducks in my country talk."

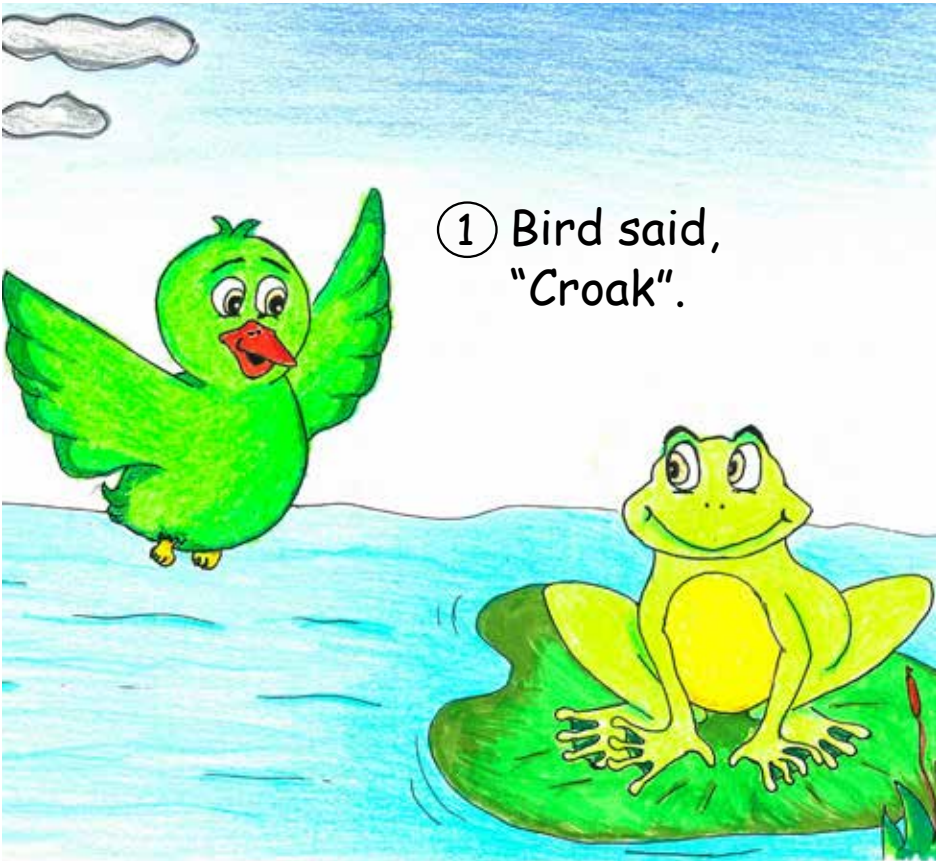

① Bird sees frog.

② Bird sees a smiling frog.
Bird flies fast to meet
the frog.

quickly

① Bird said,
"Croak".

② "Croak, croak, croak,"
said the bird to the
newly met frog.

① Frog said, "Ope".

②

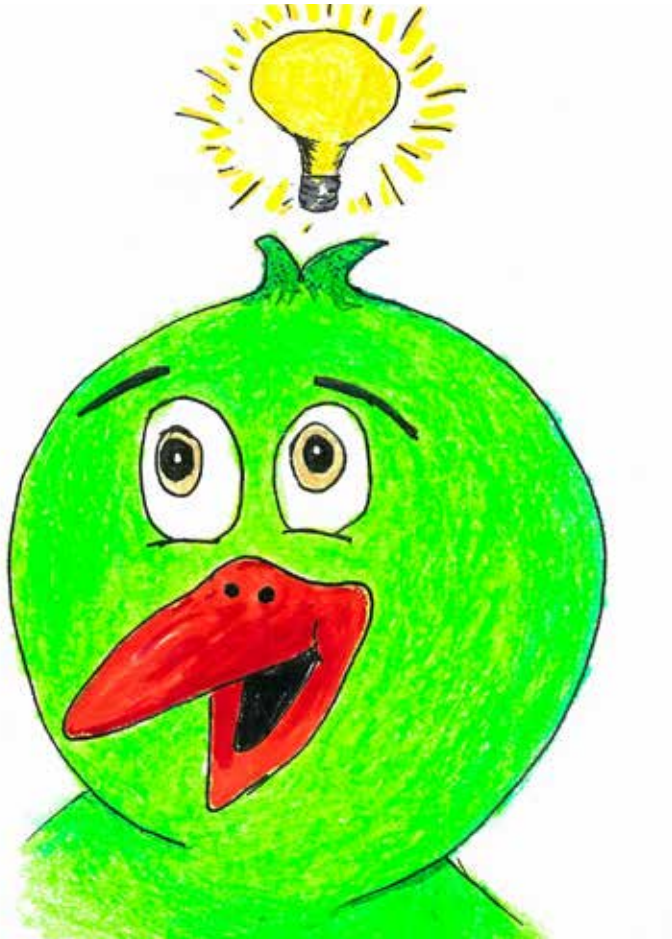

**"Ope, ope, ope,"
said the friendly
but confused frog.**

"Ope", rhymes with hope.

① Bird asks, "Why" ?

② Bird asks, "Why do the animals in this new country speak different words from where I come from?"

① Bird learns lesson.

② Bird learns that other countries use different words which have the same meaning.

① Animals teach new words.

② The animals work together to learn each others languages.

① Bird learns new language.

② The bird learns
to talk with its
new friends.

① Bird learns way home.

② The new animals
teach bird the
way to fly home.

① Bird flies home.

② As it flies away
from the new
country, the
bird thinks ...

① We understand others.

② Different languages
teach us new ways, to
understand more about
each other and ourselves.

Rule #2 "Say Name" Vowels

Some vowels
say their names!

ā ape

ē eat

ī kite

ō go

ū blue

Silent "e"

This helps me read too.

When a word ends in silent
"e", the vowel says its name.

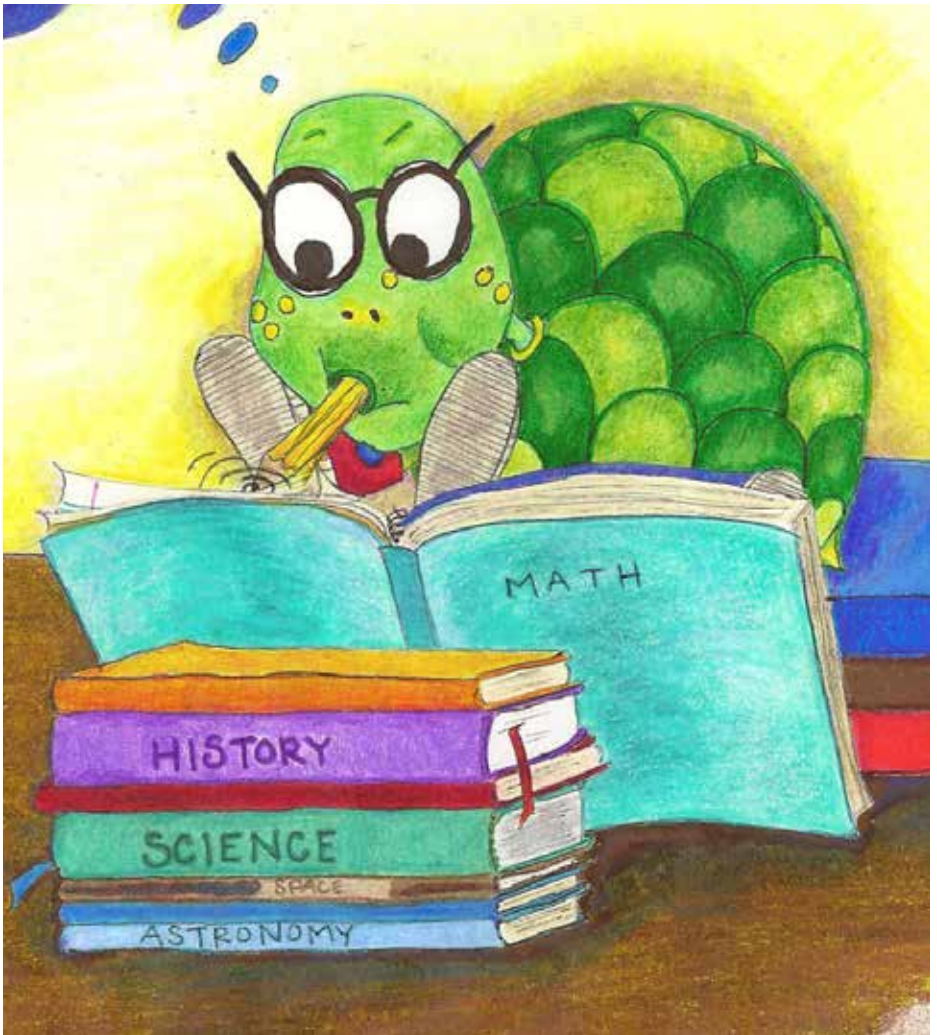

Rule
Breaker

Bird sees new place.

6

Bird is lost.

7

Bird asks a cow,
"Moo, moo, moo?"
Where is my home?

8

I read "New Words" 3 of 6

'Maw', rhymes with saw.

Cow said, "Maw, maw, maw,"

9

Bird can not understand.

10

Bird asks a duck,
"Quack, quack quack,"

11

Duck said,
"Gaap, gaap, gaap."

12

Bird can not understand.

13

Bird sees a frog.

14

Bird asks,
"Croak, croak croak,"

15

"Ope", rhymes with hope.

Frog said,
"Ope, ope, ope."

16

**Bird asks why?
We do not understand
each other.**

17

**Bird learns a lesson.
New places use other words.**

18

Bird learns new words.

19

**They are
new friends now!**

20

I read "New Words" 6 of 6

Bird learns way home.

21

Bird flies home.
New places, use other words.
They mean the same!

22

New words teach us new ways
to understand each other!

The End

23

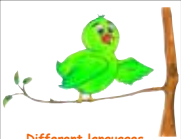

Back Cover

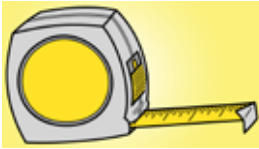

At first, Bird can not talk
with others. Bird learns
new words. We learn to
understand new friends too.

Questions - New Words

Name _____

Date _____

1) What blows the bird to the new country?

2) Does the new country look the same or different to the bird's home? _____

3) Do the new animals speak the same words or different to where the bird comes from?

4) Give an example of different words spoken by bird and the new animals?

5) At first, can bird understand the new animals? _____

6) What do bird and the new animals do so they can understand each other?

7) What lesson does bird learn?

Answers

- New Words

Name _____

Date _____

1) What blows the bird to the new country?

a storm

2) Does the new country look the same or different to the bird's home? no

3) Do the new animals speak the same words or different to where the bird comes from?

different

4) Give an example of different words spoken by bird and the new animals?

moo - maw, quack - gaap, croak - ope

5) At first, can bird understand the new animals? no

6) What do bird and the new animals do so they can understand each other?

They learn each others words.

7) What lesson does bird learn?

New words (different languages)
help us learn more about each others.

Same Meanings

In English, different words can have the same meanings.

big = large or huge
small = little or tiny
look = see or notice
glad = happy
talk = speak

Here is an example.

A big storm blows bird.
A large storm blows bird.

Activity # 1

Same Words

Re-read, out loud, "the New Words" story. Replace the underlined word with another word that has the same meaning.

For example:

big ----> huge or large

new words ----> language

happy ----> glad

Different Words

Different languages use different words that have the same meaning.

croak	"ope"
moo	"maw"
quack	"gaap"

Activity #2

Different Words

I say what cows, ducks and frogs say in my country.

<u>My Language</u>	<u>Cow</u>	<u>English</u>
_____	Maw	Moo

<u>My Language</u>	<u>Duck</u>	<u>English</u>
_____	Gaap	Quack

<u>My Language</u>	<u>Frog</u>	<u>English</u>
_____	Ope	Croak

Opposites

Some words have reverse or opposite meanings too. Here are examples.

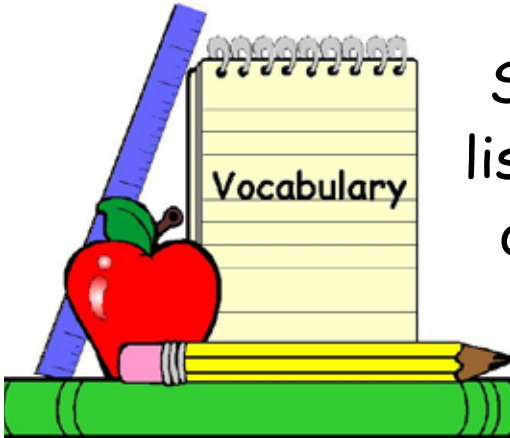

up	down
big	small
hot	cold
on	off
near	far
young	old
happy	sad
same	different
close	open

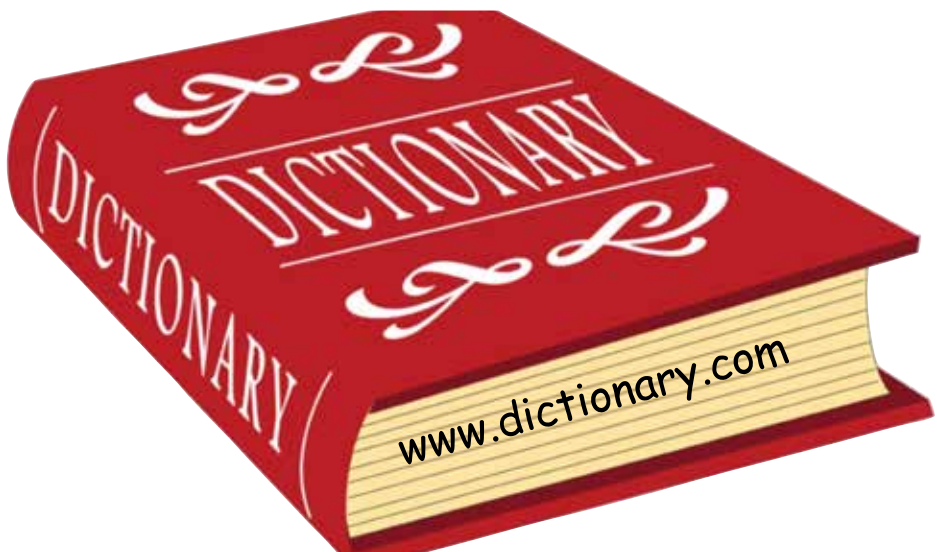

happy duck

Learn More Words

I look up and learn
more English Words.

See the word
lists at the end
of this book.

Back Cover

`New Words` is a story about a bird that a storm blows to another country. At first, the bird can't talk with the new friends. Next, they learn each others words. We learn that different languages have different words that mean the same!
